LIVE MUSIC

THU DEC 26

THE LEADBELLIES

The Leadbellies are a "Hot Rod Electric Dance Blues Band", who guarantee to switch on your musical energy, and drive your natural need to groove and dance! No boring sleepy stuff from these guys!

FRI DEC 27

Inspired by the likes of Nick Murphy, Ziggy Alberts and Vance Joy, Newcastle local Oran Vir specialises in creating uplifting, fun and relaxed atmospheres. With acoustic guitar in hand, percussion and a loop pedal under foot, Oran proves a soloist doesn't have to be a minimalist.

SAT DEC 28

A blend of three part harmonies mixed with keyboards and percussion provide a soulful and high impact repertoire making Gen-R-8 one of Newcastle's finest vocal acts.
